Dear Mr. President,

I am 13 and a proud American. I have been trying to think how I may help my country and have come to the conclusion that I would be of great help in the C.I.A. or similar field. How would I go about doing this? In a few years I will have to decide what kind of career to have, so if I knew I could join the C.I.A. ahead of time it would be of great help.

STAT

P.S. I'm glad you found a job for Pat Buchanan; he used to be on one of my favorite shows with Tom Braden.
